Compounding Education

DECEMBER 2026 HOLIDAY BOOTCAMPS
AGES 6–12 · SINGAPORE

GIVE YOUR CHILD THE MONEY SKILLS SCHOOL DOESN'T TEACH.

A fun, hands-on holiday camp, Monday to Friday, 9am–3pm, where your child learns to earn, save, spend, invest and build with confidence.

★ Award-winning, taught in international schools in Singapore and Malaysia

WHY IT MATTERS

Money is invisible to kids
Taps, apps and in-game buys hide what things really cost.

Habits form early
How children earn, save and choose now shapes the adults they become.

Life skills matter too
Making choices, teamwork, bouncing back and speaking up.

Practise before it's real
With pretend money, lessons stick before real money is involved.

WHAT YOUR CHILD GAINS: THE L.I.F.E. APPROACH

L — Leadership
Lead a team, make decisions and present to families.

I — Investing
Savings, shares, property and startups.

F — Finance
Budget, bank and plan, including tax and surprise bills.

E — Earning
Do a real job, get paid daily and sell at a market stall.

Plus life skills such as honesty, kindness, teamwork, time management and critical thinking, practised every day.

6–8 Yrs · 7th to 11th Dec 2026

LITTLE MONEY MAKERS

They run Sprout Street, a little town with jobs, a bank and a market, with a payday every afternoon. Families join Friday from 2pm.

9–12 Yrs · 14th to 18th Dec 2026

FUTURE INVESTORS

They run a working market with a KidzBank account, shares, property and startups, and pitch a business. Families join Friday from 1:15pm.
